## Today's Meeting

**Horace McCormack**  
*"World Community Service  
and Think Caribbean"*

District Governor Nominee, 2009-2010 **Horace McCormack** was born in Kingston, Jamaica, W.I., where he was educated through college. He graduated from the University of Technology and the University of the West Indies, majoring in Electrical Engineering and Management, respectively. After a successful career in Jamaica, he entered Polytechnic University in Brooklyn, from which he graduated with a Bachelors of Science in Industrial Engineering, and a Masters of Science in Management. **Horace** is a multiple Paul Harris Fellow, Paul Harris Society member, and a Rotary Foundation Benefactor. He also is a member of Rotary International's Safe Blood Action Committee. With his wife of more than 24 years, **Carlota**, and their daughter, **Trudy**, **Horace** lives in Fairfax. Carlota, also a Paul Harris Fellow, will serve as President of the Rotary Club of Falls Church in 2008-2009.

**Visiting Rotarians**  
Pauline Thompson from Dunn Loring  
Tin Tin Raschid, PDG, from Falls Church

**Guests**  
Members of the McLean and  
Langley High School baseball teams.

## Last Week

Last week **David Leiner** of Escola Estrela do Mar (Starfish school) made a presentation about the school he founded in Maceio, Brazil. **David**, a Rotarian from Washington, DC was vacationing in Brazil and became livid at the conditions and treatment of poor children in the area. He founded the school in response to his anger. The children receive nutritional food and a good education, with the intent of going to college and getting professional vocations. **David** is successfully breaking the culture of poverty in this Northeast Brazil city.

## Words of Wisdom

Some days you are the bug,  
some days you are the windshield.

Plan to be spontaneous,  
tomorrow.
