Paul Sawtell & David Coyle

## Today's Meeting

**Gerald Connolly**

*"The State of the County"*

**Gerry Connolly's** ability to grasp and manage a wide range of complex issues has led to his managing committee oversight of international economic issues, international narcotics control, and United Nations and Middle East policies. He has written numerous published reports, notably on U.S. policy in El Salvador, Central America, Israel, and the Persian Gulf region. During his tenure with the U.S. Senate, **Gerry** developed a reputation for pragmatism and the ability to reach out to Democrats and Republicans.

### **Prominent Rotarian Bill Gates**

A \$200 million grant provided by the Bill and Melinda Gates Foundation and Rotary International for the eradication of polio will target Nigeria, Pakistan, India and Afghanistan.

## Visiting Rotarians
