Last Meeting

Matt Haas of Clark Construction discussed the trials and tribulations of constructing Nationals Baseball Stadium in time for the home opener and the Pope's visit in April '08. The superstructure is up and the turf has been put in. Parking will be an issue for several years until DC negotiates parking services with surrounding owners. Nevertheless a Metro station is only one block north. The stadium will seat 41,000 including 2500 club seats and 1112 suite seats.
