Q: What is the Object of Rotary?

(Answer in next week's bulletin)

A: *(To last week's question)*

What is Rotary's attendance requirement? What is RI's limitation, if any, on a specific classification?

In an effort to have a cross section of the community represented, RI suggests that the club membership be no more than 10% of a specific classification (i.e. lawyers, realtors, bankers, etc.)
