Every Rotarian, Every Year

Every club is critical to making a difference As of May 18, 2011, 289 clubs worldwide have yet to contribute to the Annual Programs Fund. If each of those clubs give US\$1,000, over \$11 million more would be available to help prevent disease, increase access to clean water, reduce child mortality, ensure education, and develop vocational opportunities.

Between 1 July 2010 and 1 May 2011, the Foundation received 1,912 Matching Grant and District Simplified Grant applications for humanitarian projects on five continents. The grants, which totaled \$51,385,906, would not have been possible without your contributions to the Annual Programs Fund.

For more information please check the Rotary Foundation newsletter, "Every Rotarian, Every Year." **Jan** has emailed the club the link for easier access.
