Todd Dempsey presented the club with information on the McLean Club Rotary Foundation. Its purpose is to provide opportunities to fund educational and charitable needs in our community which starts with McLean and goes beyond to the World because it is all part of our community. This past summer we voted as a club on our project priorities that we wanted to fund. He informed the members that they are all invited to come to the Foundation Board meetings since each club member is a member of the Foundation. He distributed by email and at our tables the McLean Club Foundation Annual Report (2011-2012). He stated that approximately \$50,000 was distributed to charitable causes in 2011. He introduced the current officers and Board members of the Foundation.

Ed Holman presented a report on the Rotary International Foundation. Jan Auerbach congratulated Ed Holman and Bob Hahne for their leadership and our Club for receiving the premier awards at the District Annual Foundation Awards Banquet. Our club received the Ylonen Cup for the 4th year in a row for the most total amount given. We also received the sustaining member banner and an award for our contribution to the End Polio Now Campaign. Ed informed the club that one of the \$250,000 major donors is a member of our club and our club has 3 major donors. He asked our members to make the Rotary Foundation their choice for giving. He presented an offer that if new members that are not Paul Harris members contribute \$500 that he will contribute \$100 in cash and his points to make each of them a Paul Harris member. He said that what you give will make you feel good.
