## Program – September 4, 2012

by Robert Nath

Our Treasurer, Lynn Heinrichs, presented the fiscal year 2012 budget. She reported that the budget was projected to be in surplus. The four revenue/expense areas were administration, meetings & fellowship, fundraising, and community service.

Todd Dempsey reviewed the service project ballot results. He noted that members have given excellent guidance to the Foundation board, which will take these into account and make the final decisions on project funding as funds become available. He also urged Club members to think about “leveraging” their membership, and as community leaders, in the local community, in order to encourage visibility and new membership, as well as contributions to our projects.

## Announcements
