Program - July 22, 2014

Assistant District Governor Ronnie Chantker led the Club through an excellent video introducing Gary C.K. Huang as Rotary's first Chinese president. Growing up in Taiwan, Huang was encouraged by his father to get involved in activities and clubs -- and not simply focus on grades. Helping others, his father said, would help him become a better leader. The message stuck. In 1976, Huang joined the Rotary Club of Taipei. And despite the pressures of a successful career and growing family, Huang made time for his club: "I wanted to continue my work in Rotary no matter what." Combining family with humanitarian service is important to Huang, whose wife and three grown children are also Rotary members. "Why leave your family to do your Rotary work? You can do it together. Then doing good becomes a family event."
