Funding Application for Fiscal Year beginning July 1, 2022

The Tappahannock Rotary Club Foundation, Inc. (Foundation) is organized to exclusively conduct exempt educational and charitable purposes set forth in Section 501(c)(3) of the Internal Revenue Code. To carry out its purpose, it donates funds to other charitable organizations to assist those organizations serve their charitable purposes.

This Funding Application is intended to serve as a document for charitable organizations to request funding from the Foundation for their worthy projects and programs. No funds will be granted or donated to any organization that is not a public charity and determined as a 501(c)(3) organization by the IRS. Organizations which are not 501(c)(3) organizations, may apply for funding from the Rotary Club of Tappahannock by completing and submitting its funding application which is available on its website or by request to its Community Services Chair.

The Foundation will consider the requesting organization's initiatives which address priority community needs, show evidence of leadership that responsibly administers the project, and uses volunteers, and receives matching or in-kind support to leverage its effectiveness. The Foundation may request the organization to provide a representative to attend a meeting to provide additional information and answer questions regarding the organization and its request for funds. The number of selected organizations and the value of their donations, if any, will be at the complete discretion of the Foundation.
