Impact Report

A MESSAGE FROM OUR PRESIDENT:

"In 2022-23, Rotary International challenged us to **IMAGINE** the impact our club could have on its community. We created a strategic plan to guide us as we march toward our 100th anniversary in 2026. We had a banner year, establishing two new major fundraising and service projects along with continuing with our signature projects and supplementing with quick impact Done-In-A-Day projects." - Amelia J. Stansell, President 2022-23
