

Bikes for the World

September 2nd
8am-1pm

Long Sunday
Family Market

163 Staffordboro Blvd
Stafford VA 22556

Donate a bike and change a life!

The North Stafford Rotary Club is partnering with Lion's Clubs of VA and the Long Sunday Family Market to collect bikes (new or used) for "Bikes for the World."

Visit BikesForTheWorld.org for information about their impact across the globe!

Bikes for the World accepts any style bike and any size. We do not accept children's tricycles or any bike that has a considerable amount of rust. Bikes that are broken or missing parts are accepted. We also accept used parts, bike accessories, and cycling clothing. Most donations will be donated to one of a dozen projects we support overseas. Some bikes will be donated to local groups. All bikes will make a difference.
