NOTES

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, good will and peace through a world fellowship of business and professional persons united in the ideal of service.

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESSES AND PROFESSIONS

As a Rotarian engaged in a business or a profession, I am expected to:

- 1) Consider my vocation to be another opportunity to serve;
- 2) Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- 3) Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- 4) Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
- 5) Recognize the honor and respect due to all occupations which are useful to our society;
- 6) Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- 7) Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- 8) Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
