Technology and Enhancement *by Sonia*

I. **DACdb Grants Module**

- Training: myself; added 5 approved grants applications, plus 1 under review
- Training w/ Grants Chair Dr. Barry Thompson, and DRFC Rich Glover is done
- Next: Training for Grants Subcommittee --- to add the remaining received grants applications
Entire District Training; Sonia stands by to help fix/answer questions
- Next: Clubs which wish to apply DDF Grants will submit their applications in to this new Grants Module

II. **New Website**

- DACdb and a PDG Michael Brown, Zone 30-31 Technology Specialist will work with us to develop a WordPress website.
- Provided 9 District Websites for our reference
- PI Chair Ashley Waters would lead this team to get this new website developed; and Ashley Waters would be our webmaster to the new website. Michael Brown could be our webmaster with a fee.
- Ashley will form a Website Committee Team; she proposed to launch this new website in early January 2020.

III. **DACdb CRM Module**

- CRM Module has been available for the entire District; it is Free
- I had pulled CRM Module to be on the clubs' screen so they can see it
- Training to use this CRM Module for our entire District clubs can be scheduled and provided by DACdb once the request is received by our Membership Chair Quentin Wodon. Already informed Quentin about this training opportunity
