ABOUT US

We are a team of 200+ volunteers connected through Rotary International, dedicated to providing a delivery service to get groceries and medicine to those who are too high-risk to leave their homes at this time. Our volunteers consist of Rotary members and non-members alike, working together to help our neighbors. Our service is currently available in D.C., Maryland, and Virginia.

About Rotary International:

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.
