WHAT IS ROTARACT?

Rotaract clubs bring together people ages 18-35 to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service. In communities worldwide, Rotary and Rotaract members work side by side to take action through service.

WHAT IS INTERACT?

Interact is a club for youth ages 12-18 who want to connect with other young people in their community or school. Interact club members have fun while

carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding.
