Rotary Club Partner
ANNAPOLIS ROTARACT

By Monique S. Toussaint, District Rotaract Chair

Annapolis Rotaract held their General Meeting virtually on April 14th. They discussed updates on their club as well as what local Rotary and District Rotaract partners are doing during this crisis.

WHAT IS ROTARACT?

Rotaract clubs bring together people ages 18-35 to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service. In communities worldwide, Rotary and Rotaract members work side by side to take action through service.

WHAT IS INTERACT?

Interact is a club for youth ages 12-18 who want to connect with other young people in their community or school. Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding.
