## DISTRICT ROTARACT NEWS

By Elizabeth  
Anderson,  
Secretary

for the District Rotaract  
Committee

Hi all! Welcome back to the DMV to those of you who are returning university members and best of luck to our university clubs as you begin your semester soon! Since many clubs have been on pause since the end of last semester, we

do not have too many announcements to be made at this time. You can expect a longer newsletter in the month of September.

I'm sure that your clubs have had to significantly readjust your plans in regards to unfolding COVID-19 complications and university closures. Speaking on behalf of my Rotaract Club (American University), we are still developing new semester plans given that our university will be fully online as of two weeks ago. If your club leadership is struggling or needs direction in developing a plan for virtual operations, do not hesitate in reaching out to us at the District, or to other Rotaract clubs. We are all in this together.

**The Rotaract Club of Washington, DC** participated in the Teens Run DC Virtual 5k race. Teens Run DC is a frequent grant recipient and friend of the DC Rotary and Rotaract Clubs.

**The Annapolis Rotaract Club** hosted their annual Putt Putt Classic Fundraiser Event.

They raised over \$2,300 in donations to support their Scholarship Fund.

### Rotaract Slack Account

We have set up a Rotaract Slack account for collaborative use this year. You can join at the following link: [rotaract7620.slack.com](https://rotaract7620.slack.com).

**Our mailing address is:** Rotaract District 7620, 11800 Old Georgetown Rd Unit 1304, N Bethesda, MD 20852-2648

By Marilyn Navy Cruz, District Interact  
and RYLA Chair

The Interact Club of Richard Wright (DC) teamed up with the Interact Club of Haas Hall Academy Bentonville (AR) to design these amazing banners to present to local hospital in an effort to show local health care heroes their most sincere appreciation for the hardships they have been facing over the last several months during the pandemic. Two banners will be on display at local hospitals in Washington, D.C. and two at local hospitals in Bentonville, Arkansas. Aren't these students just amazing?
