Host Families Needed

At a time when International goodwill and appreciation for other peoples and cultures seems to be in jeopardy, the Rotary Clubs have an excellent way for you to be part of the important work of global fellowship and peace-making. We are looking for 2-3 families to share the hosting of a Rotary International Youth Exchange Student for 3-6 months during the 2019/2020 academic year. If you're interested in this great opportunity to welcome an international student and expose them to all that is great about our nation and our community, please let us know ASAP and we will be happy to fill you in on the details. We know this for certain – these students will never forget your family, and the hospitality and friendship you showed them. Lifelong friendships will be forged!
