When

How Does it Work?

Up to 6,000 numbered golf balls are released in an exhilarating and hilarious race toward the finish line at the bottom of the Fenwick Street hill. The first 20 balls to cross the finish line win a prize. 1st place wins \$1,500! Each golf ball is sponsored by an individual or company and the public is invited to cheer on and sometimes corral the balls in their furious flight to victory.

How Much Does it Cost?

\$5 for one ball or \$20 for 5 balls.

Prizes

Prizes are awarded for the first 20 balls to pass the finish line. The first place prize winner receives \$1,500. The remaining 19 winners will receive a range of non-cash prizes valued at a minimum of \$100.
