Ms. Margaret Carr
Rotary Club of Catonsville
P.O. Box 21154
Catonsville, MD 21228

Dear Peggy,

On behalf of the children, youth, and staff at The Children's Home, I extend to you and the Rotary Club of Catonsville our sincere appreciation for the donation of new kitchen features for the VR Cottage. We depend on the generosity and support from you and our community to help heal and enrich the lives of youth at the Home.

At The Children's Home, 2020 is the year of "Game Changers" — a visionary transformation to accomplish extraordinary results. This ambitious theme affects all our programs, services, and events. During the year we are gathering resources from professionals, academics, friends, and the community to make a bigger impact on the lives of the youth in our care. Through these efforts, youth at the Home are encouraged to make the most of their opportunities for a life of success — now and into adulthood.

One of the first and most impressive Game Changer of the year is the remodeled kitchen in the VR Cottage. The new features add beauty and versatility with the ability to add life skills programs — helping youth prepare for adulthood. And very important — it adds a feeling of home.

Thank you, again,

Sincerely,

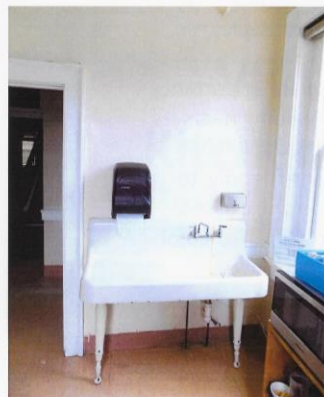

Christy Page

2019 Johns Hopkins Hospital Speaking Books

On behalf of the Spanish speaking families that we serve in the Johns Hopkins Division of Pediatric Oncology, we want to thank the Rotary Club for distributing the " Speaking Book" to our childhood cancer program.

The medical team, child life team, social work team and the Families enthusiastically endorse this very special book. Johns Hopkins is privileged to take care of children from all over The world and as you can imagine, language can become a barrier. We are fortunate to have a robust team of interpreters, and although they can bridge the language gap, there are drawbacks to using an interpreter compared with communicating in the patients native language.

The Spanish Speaking Book provides a valuable tool for verbal interaction between parent and child . Having the opportunity to discuss their child's journey with cancer in their native language is seen as a critical part of understanding the road ahead.

*Gratefully,
Stephanie Davis, MSW, Senior Associate Director of
Development
Division of Pediatric Oncology*

COVID-19: Mask-'R-Aid

Join the Virtual Mask-'R-Aid Party!

The Rotary Club of Catonsville and its charitable foundation are celebrating the birthday of Rotary founder Paul Harris with a month-long (19 April to 19 May 2020) Mask-'R-Aid party for the greater Catonsville community. For every \$20 donated to the Rotary Club of Catonsville-Sunrise Charitable Foundation via our catonsvillerotary.org PayPal Donate Button, \$10 will go to supporting local community non-profit grants, \$10 will go to the Rotary International annual fund, and our club will donate 2 cloth masks to a local shelter or nursing home in need as long as supplies last. We will also be changing the photos on our website and Facebook page weekly, challenging the community to identify the good neighbor behind the mask. What is Rotary? **Rotary** is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves. Our 35,000 clubs work together to promote peace; fight disease; provide clean water, sanitation, and hygiene; save mothers and children; support education; and grow local economies.

March Madness

Rotary Club of Catonsville

Cancelled due to
COVID-19 pandemic
in 2020, held in
2019.

2020 NCAA Men's Basketball Tournament Squares Pool

March Madness is a three week period packed with buzzer beaters, Cinderella teams, and a sports fan's dream. Check out our March Madness Squares pool format. Every game of the tournament will have a winner!

There is a 100-square grid – each square will be sold for \$20, making a total pot of \$2,000. Since this is a fundraiser — we will split the pot 50/50. Rotary Club of Catonsville Rotary will get \$1,000 and the payout to the winners will be \$1,000. After all the squares have all been sold, the squares and numbers will be randomly assigned and the grid will be distributed to participants.

The same numbers will be used for all games during and after the First Round (63 games). The play-in games (i.e. First Four) are **not** included.

The 63 game tournament starts on Thursday, March 19th and ends on Monday, April 6th.

The last digits of the final score of each game will be used to determine the winning squares. The numbers across the top of the grid will represent the **winning** teams. The numbers down the left side of the grid will represent the **losing** teams. This format makes it possible to win multiple games with the same numbers. Payouts will increase with each round of the tournament – see below:

Round	Dates	Payout/Game	# of Games	Total Payout
1st Round	March 19-20	\$5.00	32	\$160
2nd Round	March 21-22	\$10.00	16	\$160
Regional Semifinals	March 26-27	\$20.00	8	\$160
Regional Finals	March 28-29	\$40.00	4	\$160
National Semifinals	April 4	\$80.00	2	\$160
National Championship	April 6	\$200.00	1	\$200
Total Payout to Winners:				\$1,000
