Dear Chelsea,

On behalf of all of us at the Alice Ferguson Foundation, thank you for your in-kind donation of a 30 x 20 red and white striped tent on June 8, 2019, to support our 6th Annual Pinot on the Potomac fundraiser. Your contribution made for a truly enjoyable evening for all of the guests who came out to support our over 64 years on environmental education.

With your donation, you support our programs which engage thousands of students in DC, Maryland and Virginia, through hands-on outdoor activities at both our Hard Bargain Farm education campus and in local and national parks. You are also supporting our Potomac River Watershed Trash Initiative, where we connect with communities through outreach, volunteer cleanups and education.

Thanks to the support of friends like you, we will be able to continue inspiring future stewards of our watershed and revolutionizing the way we live and the world we leave behind.

With gratitude,

Amanda Foster  
Interim Executive Director
