

Chesapeake PETS

Chesapeake PETS March 2-4, 2017 Westfield's Marriott Chantilly, VA

Chesapeake PETS brings together Presidents-Elect from 220 Rotary Clubs in Districts 7600, 7610, 7620 and 7630. 2017 will be the ninth time these districts have joined to bring outstanding international Rotary speakers and facilitators who lead sessions designed to give PEs the tools they need for a successful leadership year. The bonus gained from PETS this large is that PEs meet and share expertise and experience with their peers from both large and small clubs.

Thursday Enrichment Sessions are optional, but provide additional subject matter. Last year, Chesapeake PETS inaugurated a President Nominee Leadership Academy with five PNs chosen from each District. The program was so successful that this year it has been expanded to ten PNs from each District. District Governors-Elect and Governors-Nominee as well as Assistant Governors also have program tracts during the weekend for their year of leadership.

Speakers

CART

The Presidents-Elect Training Seminar is required for all Rotarians serving as Club President during the 2017-2018 Rotary year.

It provides an opportunity to sharpen Rotary leadership skills, hear outstanding speakers from Rotary International and Rotary partners and share with peers from over 200 other Rotary clubs in Districts 7600, 7610, 7620 and 7630.
