Dear Neighboring Friends and Businesses:

Rotary is an organization that consists of business professionals united worldwide to provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace to the countries around the world. The main objective of Rotary is service in the community, workplace and throughout the world. As an organization, Rotary develops community and international based projects that address many critical issues such as children at risk, poverty and hunger, the environment, illiteracy and violence. In addition, Rotarians also support youth educational opportunities as well as the fight against Polio Eradication. Our worldwide motto is "Service Above Self".

The Newark Rotary Club is hosting its 7th Annual Beef and Beer Fundraiser on March 23, 2024. Our goal is to raise money to fund upcoming community and international projects. Over recent years, the Newark Rotary Club has supported a variety of different programs/projects including: Easter Seals, Camp Fairlee, a 3rd Grade Dictionary Project, Scholarships for High School Seniors, Salvation Army to name a few. We are encouraged by what we have accomplished as a club and look forward to raising funds to expand our potential support. During this fundraiser, 100% of the proceeds go directly to our programs and projects.

Our hope is that local businesses will join us in providing a donation for our auction to be held during the Beef and Beer. The more items that we can collect the more money we will be able to raise, giving the Newark Rotary Club a greater potential to reach those individuals in need within our community. We hope that you take the time and consider assisting us with our request.
