AdventHealth | SHARING SMILES Global Missions

AdventHealth

Purpose

AdventHealth (formerly Florida Hospital) engages in global mission work because, at its heart, it is our mission—Extending the Healing Ministry of Christ. Through our Global Missions and Sharing Smiles departments, we deliver healing and hope through quality healthcare, education and training. We partner with host country healthcare providers and Rotary clubs to build a sustainable legacy.

AdventHealth

Why We are Different

1. Commitment to long-term success
2. Focus on training
3. Partnerships to help build a lasting legacy
