# FAQs

- **You can partner with other clubs**

- **Each club must submit an application if each is asking for district match**

- **Limit for each club is $2000 district contribution (2 clubs x $2,000 each = $4K)**

- **There is no limit on how many grants a club can submit**

- **Can fund existing projects to help increase numbers served or do a completely new project**

- **Club match can come from any source. A letter of support is required.**

# FAQs continued

- **<u>Grants must involve Rotary service. We are not a bank.</u>**

- **Any changes to grant must be approved**

- **The grant must provide a significant <u>sustainable</u> project that has <u>clear goals</u> and <u>measurable objectives</u>, and <u>involve Rotarians</u> in implementing the project.**

- **The project can be local, district-wide or a global project, which would involve Rotarians at the global site.**

- **If you partner with another club, the District match will only be given to the club applying.**

- **The participating club will not need to complete any applications, other than a letter of commitment.**

# FAQs continued

- **Your Club President and President Elect must sign the grant and check the button on the bottom of the page**

- **To be eligible for a district grant, your club must have submitted their goals for the club into the system for next year (May 15, 2023)**

**Remember, district grant funds are for service projects
for club participation, not to give to another group.**

# Need More Money?

## COMPETITIVE LARGE GRANT

- **One grant will be awarded to a club to complete a project up to $30,000**

- **The district will contribute $15,000 as a maximum match to the club's contribution.**

- **The funds from the club can be obtained directly from the club's budget or any other source, including other clubs.**

# FAQs for Large Grant

- The format for the application is the same as the district application for district funds, (and labeled as such in the title).

- These grants will be reviewed separately from the other district grants, and the new large grants will not restrict any district grants that the club submits.

- The grants for this special allocation will need to provide much more detail than the regular district grants. All of the rules regarding district grants, such as deadlines, club requirements, and final reports will apply to this application.

# The Application

The application is found on the DACdb Rotary 7670 web site
- Log in
- Go to "Grants"
- Check the year that you want to work on: 2023-24 for new grant
- Under the Navigation section-go to "Club Grant View"
- Click on section "New Club Grant Request" ( check year again)
- Fill out the various sections of the grant.
- Make sure you save as you work on application
- Budget section will be available as you move through project
- When you finish the application, hit the "Submit for signatures" button
- Required individuals will get an email to sign the grant
- When all signatures are obtained, hit the "Submit to district" button
- The district committee will review and notify the club of the approval status

# Final Report

The final report should be submitted as soon as possible.

- Most of the information from the initial grant will already be included. Just answer the questions and attach the required documentation, including copies of checks, receipts, invoices and pictures.
- Again, hit the "Collect signatures button", and after they are collected, hit the "Send to District" button.
- The report will be reviewed for compliance and stewardship.
- When approved the treasurer will send a check to the club for the district match.
- If there are questions or missing items, a member of the committee will email you and request additional information.
