What to wear:

Business casual. It's a business meeting conducted in a professional manner. Suits are not necessary but shorts and warm-ups are not appropriate. Just find yourself a happy medium. This is a networking opportunity as much as it is educational. Make a positive impression.

What to bring:

No electronics are needed for the curriculum presented at Carolinas' PETS. Our training model is based on discussion, participant interaction, and the sharing of ideas. We are almost technology-free at this event. We want your focus to be on Rotary during the sessions.
