

Diversity, Equity & Inclusion

WHAT YOUR CLUB CAN DO

- Talk about diversity with your club members and create a member diversity and inclusion action plan using the [Diversifying Your Club](#) assessment. Scheduling a DEI-themed meeting every quarter is a great way to raise awareness. A suggestion for a first meeting would be a discussion of District 7670's [Diversity Statement](#).
- Invite local diversity, equity, and inclusion experts to speak at your club's next gathering. A Google search for DEI speakers in your area will likely bring up several options.
- Connect with local organizations that are supporting diversity, equity, and inclusion efforts and work with them on projects or events.
- Encourage and support people from underrepresented groups to take on leadership positions in your club and district.
- Encourage club members to take the [Building a Diverse Club](#) course in the Learning Center to learn more about diversity, equity, and inclusion.
