TO: Mr. William Lawrence Shillito, Governor-elect, District 7670, RI  
FROM: Frank Stryczek, Jr., Manager, Club and District Support – Pan America  
RE: DISTRICT EMPLOYER IDENTIFICATION NUMBER

The records at Rotary International show that the Internal Revenue Service assigned the following Employer Identification Number (EIN) for your district. Should you have any questions about it, or if your district is using another EIN, please let me know immediately.

EIN: 31-1216264

Though the name "Employer Identification Number" implies an employer-employee relationship, it is simply a tax identification number. This number is reported annually by Rotary International to the IRS, thus verifying your district's tax status and participation in RI's group exemption.

All clubs and districts in the USA and its possessions are included under Rotary International's 501(c)(4) tax status, and are entitled to use Rotary International's group exemption number 0573. While there is no need to pay federal income tax, except possibly for unrelated income, IRS Form 990 must be filed by 15 November of each year if district gross receipts are over \$25,000. Failure to file may subject you to a fine for each day late, and we have heard that the IRS strictly enforces this requirement. Be aware also that the IRS does audit Rotary districts. Please note that any incorporated district/multi-district activities are outside of Rotary International's group exemption.

Please consult a local tax adviser regarding the filing of IRS forms, and the interpretation of the IRS Code, as well as tax obligations at the state level. RI is not able to provide advice on such matters, as we are not a licensed tax adviser and also tax law interpretation varies somewhat in the different area offices of the IRS.
