

Cruising for CART

Aboard the beautiful, new!

Norwegian Bliss

from Miami, Florida

February 9 – 16, 2019

Price includes a \$100 donation to CART

A Project of the Rotary Clubs of North America

Our popular itinerary:

CART started in 1996 with Rotarians voluntarily emptying their pockets and purses of change at weekly meetings. One hundred percent of funds received by CART go to Alzheimer's disease research. As of May 2017, the CART Fund has awarded \$6.5 million dollars in 40 grants to recognized US research institutions. The Fund is governed by a Board of Trustees composed of representatives from the Rotary districts that support the program. By participating in our Cruise for CART not only will you have an amazing and memorable vacation experience, you are also helping cure Alzheimer's disease by donating to "cutting edge" research grants to outstanding and dedicated doctors and scientists.

You are not paying more for this cruise in order to cover the \$100 per person donation to CART. Instead we have worked with our travel agent (a fellow Rotarian) and NCL cruise line to include the donation in the price of the cruise without increasing the cost of the cruise to you. We are also planning two private social events for our group plus several seminars about CART. This cruise is open to all Rotarians their family and friends. We look forward to having you join us. This fund raising event arranged by Rotary District 7670. Participants clubs/districts will be credited with donations raised.
