

Member Quick Start Guide

Welcome to Rotary! We hope you will maximize your membership by taking advantage of our online member portal, DACdb. This is more than an online directory- it's an interactive tool to help you engage with our Club.

Through DACdb, you can edit your profile, search for members, register for events, and much more!

Login to DACdb

Login to DACdb

Your account in DACdb is automatically created when you join our Club. You won't need to sign-up for DACdb, just sign-in!

1. To log in for the first time, your email address is your username and your RI member number is your password. Your member number is located in many of your RI communications, including your *Rotarian* magazine address label.

DACdb
The District and Club database was developed to assist districts and clubs to meet their administrative reporting requirements to Rotary International, and to foster easier communications within the district for the district leadership, district committees, club leadership, and of course the members of Rotary Clubs.

HOW-TO: Change your Username/Password

HOW-TO: Change your User Name or Password

When you join Rotary, your preferred email address becomes your default user name. However, if you change email addresses, your user name *will not* change.

Your default password is your Rotary International member number.

These settings can be updated at your convenience.

1. Click the “My DATA” tab, followed by “Edit My Data”.

2. Click the “Login” tab.

3. Edit the user name (does not have to be an email address) and password to your desired information and click the yellow “Update” button to save your changes.

Tip: This login is for our club database, DACdb, only.

This is not your login for Rotary International. To create an online account with Rotary International, visit www.rotary.org.

Update your Membership Data

Update your Membership Data

When you log into DACdb, you'll see the home screen, with District announcements, and a tab menu across the top.

1. Click the "My DATA" tab to view your profile.

The screenshot shows the DACdb web application interface. At the top, there is a navigation bar with several tabs: "My DATA", "Committees", "PMail", "Calendar", "Reports", "Grants", "Files", "Attendance", "Region", and "Help". The "My DATA" tab is highlighted with a red circle. Below this bar is a secondary blue menu with links: "Edit MY Data", "My DUES History", "My ATTNDance", and "Members DOC". The main content area displays the "Member Profile" for "Cynthia Lauper". The profile information includes: Member Type: Active, Classification: Pop Star, Club: Rotary Club of Hollywood (99969889), District: 9969, Rotarian Since: 01/07/16, Yrs of Service: 0, and Birthday: (blank). To the right of the text is a small photo of Cynthia Lauper with the name "Cyndi" above it.

2. To change or update your data, click "Edit My Data" located in the blue menu at the top of the screen.

Search & Browse for Members

Search & Browse for Members

One of the benefits of being a Rotarian making new friends and colleagues. Use DACdb to search for someone based on name, classification, or company!

1. From the “My Data” tab, click “Find a Member”.

2. A search box will appear. Here, you can type in your search parameters (last name, company name, classification). The more information added, the narrower the results.

3. After adding your key term(s), hit the “Enter” button on your keyboard or click the “Search” button on the top right of the window. Your results will be displayed below.

4. Find members by browsing a member list. Click the “My Club” tab, next to “My Data”.
