## ROTARY PEACE CENTERS Endowment Naming Opportunities

The Rotary Foundation offers special opportunities to create a customized fund within Rotary's endowment that will provide ongoing support for the Rotary Peace Centers in perpetuity. Donors can create a lasting legacy in their name or in honor of a loved one. By making an outright gift or a commitment in their estate plans, donors can support their favorite Rotary program forever.

Donors who create an endowment during their lifetime receive an annual financial summary on the performance of their fund. In addition, select designations receive information about their fund's activity, the aspect of the program they support, and the overall Rotary Peace Centers program.

# Rotary District 7680 Peace Fellowship Subcommittee Social Change Initiative Guide

Dear Prospective Peace Fellowship Applicants,

Greetings from the Rotary District 7680 Peace Fellowship Subcommittee!  
As Chair of our esteemed committee, I am thrilled to provide you with insights into crafting your social change initiative proposal for the Rotary Peace Fellowship.

Rotary's Vision of Peace: Rotary views peace not merely as an abstract concept but as a vibrant, evolving expression of human development. Our initiatives, grants, and fellowships are geared towards fostering environments conducive to building and sustaining peace. We are eager to invest in the skills, attitudes, and innovative ideas of professionals across all sectors who are committed to leading change for sustainable, positive peace.

Role of Rotary Peace Fellows: Rotary Peace Fellows emerge as effective peacebuilders through the design and implementation of innovative, locally-led initiatives that address the root causes of conflict. The social change initiative serves as a platform to translate training into action, catalyzing new pathways to peace.

Potential Areas of Focus: Your social change initiative may encompass various areas, including but not limited to:

- Human rights protection and advocacy
- Peace promotion through media and technology
- Poverty alleviation and economic development
- Inter-religious dialogue and cooperation

- Gender equity and women's empowerment
- Public health access and awareness
- Refugee assistance and social cohesion
- Youth programs and conflict prevention
- Climate change adaptation and environmental protection

Timeline and Commitment: Professional development certificate program candidates will submit a social change initiative proposal as part of their application. During the on-site program session, fellows will explore novel peacebuilding approaches, develop action plans, and gear up to implement their initiatives over the subsequent nine months. Fellows will dedicate 5-10 hours per week to their initiatives, supported by mentors and interactive online learning sessions. The program culminates with a capstone session where fellows present their initiatives.

What Constitutes a Strong Proposal? Proposals will be evaluated based on feasibility, impact, and their potential to advance peace. Here are some tips for crafting a robust proposal:

- Be specific and clearly define the initiative's purpose and beneficiaries.
- Describe your vision of success and how it contributes to sustained peace.
- Leverage existing projects or networks to maximize impact.
- Demonstrate creativity and innovation in expanding the initiative's reach.

Relevant Experience: Rotary welcomes candidates from diverse backgrounds. Eligible candidates for the master's degree program should have at least three years of relevant experience, while certificate program candidates should have at least five years. Relevant experience encompasses various domains, including government, NGOs, economic development, research, advocacy, religious leadership, media, law enforcement, and public health.

We encourage candidates to showcase their innovative and context-specific experiences that align with Rotary's peacebuilding goals.
