

2020-21 PRESIDENTIAL EXPENSES

In accordance with RI Bylaws section 18.080, Rotary International is required to report all expenses that are reimbursed to, and all payments made to or on behalf of the president, president-elect, president-nominee. The majority of the expenses included in the presidential budgets are for travel expenses related to the duties of the offices of the president, president-elect and president-nominee.

During 2020-21, the president and president-elect did not attend any in-person board meetings, training meetings, conventions or related meetings. As a result of the COVID-19 pandemic, there were very limited regional and domestic travel expenses throughout the year, and most of their events and meetings were conducted virtually.

The president attended events to promote Rotary International in six countries, dedicating approximately 30 days out of the year to such travel. The president-elect attended events in one country, with approximately 16 days of such travel. Much of this travel was in response to invitations to attend events of Rotary clubs and districts in their home countries or neighboring countries, due to COVID-19 related travel restrictions.

Further to these travel commitments, the president, president-elect and president-nominee carried out the responsibilities of their offices remotely from their primary residences including administrative matters, planning activities, and meetings.

Rotary International's financial statements for 2020-21 include total expenses of \$346,667 for the president, president-elect and president nominee.
