What is Rotary?

We are a worldwide organization of more than 1.2 million passionate business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are 35,000 Rotary clubs worldwide. We are both an international organization and a local community leader. Together we lead change in our own backyards and across the world. At club meetings in communities across the globe, our members come together to strengthen their connections to friends and neighbors and their commitment to improving lives.
