Though George White was standing in taking all the notes in my absence, I was not back in time to include that information in this week's newsletter. So last week's meeting write up & pictures will be seen in a later edition. Thanks to George for standing in for me.

HIGH POINT ROTARY

SOMETHING NEW IN '19

We all know Shirene. She grew up in Lynchburg, VA and has lived in High Point since 1988 when her husband, Joel, began his private practice in dentistry. She has spoken to the Club professionally as a Counselor and Board Certified Master Christian Life Coach. But this time her story is much more personal and takes us back to her life before growing up in Lynchburg.

You see, Shirene was born in Iran and adopted as an infant by American parents. But she has reason to believe that her biological father was the late Shah of Iran. Though her parents are deceased, she has discovered a paper trail of pictures and documents that are contrary to what she was told growing up. That was that her mother died in childbirth and her father in an earthquake. Shirene will share with us her quest for the truth, the uncovered evidence, and her experience of writing a book about the ordeal. This will truly be a spectacular story you do not want to miss!

We are going to try something new. . . . A contest to see if you can find the mistake in the Spokesman each week. Now I do this newsletter with some speed so we are not going to count simple misspellings and grammatical errors. The mistake will be a bit more obvious But not too obvious. We will draw one winner from all correct responses received in my "in-box" by the end of the day each Monday. dbdinvest@northstate.net
 The winner week two will receive three free tickets in the next Queen of Hearts Drawing. Good Luck and Happy Hunting!

Easy Make Ups!

You can now receive make up credit through the Internet. Just go to the web-site: www.rotaryclubone.org This site gives you another make up opportunity you can do from the comfort of your own home. This is a fully chartered club by Rotary International. You can choose a 'Program' that you want to read, answer some questions, and print out the makeup slip. All they ask is that the person donate the cost of the meal of the home club to help offset the cost of maintaining the site. If you contribute the cost of your meal, please be sure and let Kem Ellis or Dave McCoy know so that you will receive meal credit on your next statement.
