Program

Tanya gave a two-fold presentation on how the school system did last year, and direction for the current school year. Their motto continues to be Every Child, Every Chance, Every Day. The one addition to this mantra is the focus on the positive impact that one person can make in the life of a child. Keeping that in mind, it applies to teachers, coaches, janitors, administrators, and any other adult who encounters children in the school. In a recent meeting with staff, emphasis was placed on identifying at-risk children who need additional help to overcome their obstacles and be successful in school and in life. She ended her presentation by covering safety measures that have been taken to protect the children and staff.

Concluding Activities

- * 50/50 Raffle: Joe won & donated it to Polio Plus.
- * Members recited the 4-Way Test.
- * The meeting adjourned at 8:05 am.

Respectfully submitted by Bob Bennett.
