#### Program

Winfield presented Perquimans County Sheriff Shelby White who provided us with an update on safety within Perquimans County. Over the past 5 years Sheriff Shelby noted that the number of sworn deputies has grown from 13 to 25. One of their services is to check businesses 5 times overnight to assure that they are secure. He encouraged business owners to have outside cameras and a security system to deter criminals. Due to the increase in deputies, they now do foot patrols. He mentioned that this year the Sheriff's office is once again collecting used bicycles which they fix up and distribute to children who can use them. If anyone has an old bike that they would like to donate, you can drop it off at their office.
