#### Program

Micki began by explaining a few things about herself. For instance, besides Rotary, she is involved with the Osprey Yacht Club, Master Gardeners, CERT, and she is a Guardian Ad Litem for foster children. She then passed out index cards with two similar items listed. She then asked each person to choose between the two items and explain their choice. This gave everyone a chance to learn more about each other. When asked about her work with foster children, she said that she has been doing it for 9 years. Her role is to speak with the children and the foster parents during home visits. She then represents the children in Court as their voice. Micki explained that children end up in the foster care system due to neglect, and parents who lack the social skills to raise children or they may be on drugs. Unfortunately, the social services staff are over-worked and unable to do everything necessary to oversee the care of the children. That is where volunteers help to fill the gap.
