Program

Winfield introduced Tanya Turner, Superintendent of Perquimans County Schools, who gave an update on past accomplishments and plans for the new school year. The theme for this year is “One School Together.” As part of the implementation, they have evaluated whether they have a common purpose, goals, and commitment. To make this a common theme for the school district, it must be a part of the lesson plans for all grade levels. It must also tie back to the Vision, Mission, Core Values and Strategic Priorities that had previously been identified shortly after Tanya took over in 2019. Going forward, with a \$36.9 million needs based capital fund grant the grammar and middle schools will be combined into a new facility in Winfall. Additionally, track and soccer facilities are being upgraded and should be done by November.

Concluding Activities

- * 50/50 Raffle: Joe donated it to the Club.
- * Members recited the 4-Way Test.
- * The meeting adjourned at 9:03 am.

Respectfully submitted by Henry.
