Program

Connie opened her program on Polio by talking about how Africa is polio free. To get to that point, 9 billion vaccines had to be administered over the 5 years preceding that accomplishment. Those vaccines had to be provided by 2 million people. She then continued with her End Polio Now program by promoting Tony Santore’s fundraising project, Ride with Tony. This is a project that runs from 7/1 – 10/24 (World Polio Day). The goal is to both raise money and awareness of this on-going health issue. Besides helping us to achieve our Club goal, it will also help our District to do the same. Connie offered to be our Team Captain. Participants can ride bikes, walk, run (with sponsors) or we can extend it to include a golf outing, tennis, or just donations to the cause.

Participating Clubs are encouraged to take photos and issue press releases to help educate the public about a problem that continues to exist. After her part in the program, Henry showed part of a video about a former Rotarian from Maryland who was afflicted by polio. His name was Noah Linn Hendershot, who spoke about his diagnosis and the challenges that it brought to every aspect of his life.

Concluding Activities

- * Happy Bucks: Frank, Connie, Sandy
- * 50/50 Raffle: Bob won & donated it to the Club.
- * Members recited the 4-Way Test.
- * The meeting adjourned at 8:53 am.

Respectfully submitted by Henry.
