

Members of Wilmington West Rotary are extremely proud to have shared our club member, District Governor Allen Quigley, with the rest of 7730 during the past year. Whether he was moving us forward as club president, or participating in fundraisers and member recruitment, introducing us to important new community organizations, planning meaningful service work in the community, or describing his personal overseas service work, he's always been a shining example of service above self. Allen, we know your involvement at the District level will continue, but we'll be glad to have you in town on a regular basis again. Congratulations on a terrific year!

**ALLEN QUIGLEY**

**DISTRICT 7730  
DISTRICT GOVERNOR  
2023-2024**
