

# STAYING CONNECTED

## ENGAGE THROUGH ONLINE TRAINING

If you're considering moving your training sessions or District Conference online, consider the following:

- Explore [The Learning Center](#) course [Offering Training Online](#)
- Encourage participants to complete their learning plan in [The Learning Center](#) (see the [catalog](#) for direct links to the learning plans)
- Substitute your speakers with a presentation from Rotary's [Video Library](#).
- Follow all other guidelines for district training meetings, noting a DGE can determine if the training is sufficient for a club president to take office

## RE-THINK YOUR PROCEDURES

If you cannot meet in person, please consider the following options for your District Conference:

- Delay your meeting to any time before the end of June or cancel it, as appropriate
- Contact us if there's a change to or cancellation of your event
- Conduct business that was going to be held at the district conference through a ballot-by-mail ([RI Bylaws](#) Article 15.050.4, [Sample Ballot](#))

## IF YOU STILL NEED TO...

### SELECT YOUR DGN

You can make the following adaptations:

- The DGN can be chosen by club ballot procedure ([RI Bylaws](#) Article 12.050)
- A nominating committee can meet online ([RI Bylaws](#) Article 12.030)
