

South Brunswick Islands Rotary Club Service Project/Funding Request

Service Project/Funding Request

This document provides a framework for Service Projects to which South Brunswick Islands Rotary Club (SBI Rotary) will support and contribute during the July 1, 2020 to June 30, 2021 time period.

The intent of this request form is to have the Brunswick County community agencies, schools, charities, and organizations specifically identify partnering opportunities that support youth in academic success, career readiness and life. The partnering opportunities must consist of either 1) only mutual sweat equity efforts of labor, time and talents or 2) sweat equity and financial support.

SBI Rotary intends to participate in community activities directly. SBI Rotary membership is willing to provide labor and financial support in the projects under the Requestors' project management direction. Alternatively, SBI Rotary is willing to accept full responsibility and management of a Service Project that directly benefits Brunswick County youth. Whether the Requestor or SBI Rotary "run" the Service Project, all accounting and receipts will be made available and shared as relates to SBI Rotary financial contribution.

If a Service Project/Funding request is for benefit of the general operation of the Requestor, SBI Rotary will consider and may approve solely at SBI Rotary's discretion.

SBI Rotary will work with other Rotary and community clubs to maximize the Service Project size and scope. Please contact SBI Rotary if the Service Project/Funding is complex or will span more than one year; SBI Rotary with the Requestor will explore sweat equity and funding possibilities.

SBI Rotary is striving for budgeting efficiency and complete partnering. SBI Rotary will accept and encourages Requestors to submit all possible requests for the year at once. SBI Rotary will evaluate and may approve multiple Service Projects/Funding.

Questions and Concerns

South Brunswick Islands Rotary Club is soliciting this Service Project/Funding Request. Questions and concerns regarding this funding opportunity should be directed to

Myong Jensen
