Weekly Witticism

Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same.

PROGRAM LAST WEEK by Tara Reeder

President Will Williams turned over the reins to incoming President John Lindsay. John addressed the club as the 2019-2020 Aiken Rotary Club President. He began with a very official chart but quickly laid out the goals for the upcoming Rotary year.

Being more engaged as a club member was emphasized. President Lindsay would like to see the club. Provide more opportunities for community service activities, networking and to have fun FUN. It was even suggested that members move tables

everyone once in a while to meet other Rotarians and get to know the club's members. Through retention and aggressive recruitment, President Lindsay would like to reach 187 members but stretch to 190!

Another goal is to enhance membership rolls by acquiring younger membership through a diversity strategy. He would also like to see our club support and increase club involvement for strong Interact and Rotaract programs. Planting seeds for our club through partnering with the community. With that he hope to do fundraising through projects that would allow the club the meet the needs of our community. He left us with a challenge. Get to know your fellow members and enjoy Rotary!
