From the Editor's Desk:

What a job Frank Scahill has done with our website. From a hard to navigate, limited info presentation to a new, comprehensive and attractive informational tool, the Rotary Club of Danbury web page is a joy to access. Kudos to Frank. Thanks from all of us
Yours in Rotary Service, Ralph

Tary's Rotary Minute:

In October of 1964, our District Governor, Marcel Corbat, came to our meeting to induct John Lucchesi into the Rotary Club of Danbury. This is a mite different from information that John was inducted in 1926. John is the only member of the club still active among those who were members in 1964 and we were in the old District 798. We were meeting at the El Dorado Restaurant, then , and Fred Kasak was president. John later served as club president for the 1973-74 Rotary year.

Take a Look at Our New Website, and See what Frank Scahill has Accomplished:

The important aspect of a good website is ease of use. Frank tried to achieve that with our re-furbished web page. The front page has a prominent contact form, easy to access directory, links to all club activities

including recent Spokes, and links to District sites. The club leadership is also represented on the front page, including names and photos of all officers. We also have brief write ups of recent luncheon speakers, and a list of speakers to come. It is as comprehensive as Frank could make it, and is just a click away from all members and friends. Give it a ride. Check it out. You will like it.
