## What a Party!

Tary and Adele Tarlton have gone over the top. The lawn party was heavily attended, the food was incredible, and the fellowship the best. The following photos provide a glimpse into the festivities:

**Tary's Rotary Minute:**

In 1980, Danbury Rotary President David Harrison polled the club regarding a switch from a luncheon meeting to a breakfast club. It fell with a resounding thud, so here we are still having lunch, and enjoying every minute of it.
