## From the Editor's Desk:

We had a small, intimate group show up at Chuck's—the smallest meeting of the year. However, such events often increase dialogue between the attendees, and this Wednesday was no exception.

We learned that both Pres. Frank, and member-elect Steve Kahn are pilots. In fact Frank is licensed to fly a seaplane, learning how to fly one on Lake Lilinoah. Also, there was an illuminating discussion on creative ways of collecting from deadbeats. It was a fun, educative fellowship event.

## Tary's Rotary Minute:

At a board meeting in 1978 it was decided that attendance drops as the weather gets better, then drops again as it gets worse. So when does it improve? That wasn't reported.

## Dinner at Chuck's. Presented with Minimal Comment:

*Pres. Frank and Bob Vetter chat about club business.*

*Mark Havira enjoys the banter; Steve Kahn relayed his experiences as a film maker, and John Anderson dropped by to scout out the club. Steve will be inducted next week. We hope John, who is in the pharmaceutical industry, will be back. By the way—John was a Rotary Scholar some years ago—in Massachusetts as we recall.*

**Speakers:** 3/7 A busy meeting with anniversaries, Student of the Month, PR on Ann's Place, and speaker Marion Lynott who will talk about Health and Wellness; 3/14 Laurie Kenagy will talk about the Ridgefield Symphony Orchestra; 3/21 Younhee Shin will discuss the Korean Spirit and Culture Project; and on 3/28 we will be back at Chuck's for dinner, at 5:30 pm.
