Thank you for your interest in joining the Fairfield Rotary Club! We, as a service organization, are dedicated to **volunteering our time to give back to the community** in a variety of different ways, and always with a focus on those in need. The goal is to have positive impact on everything we do. Our mission is Service Above Self, and this is our pathway to help make a difference.

Examples of What We Do:

- | | |
|---|--|
| Provide Grants for Local Communities and Non-Profits. | Donate and Prepare Food for those in Need. |
| Collect Food and Money for Veterans. | Educate Citizens about state and local issues. |
| Recognize Students & Award Scholarships. | Raise Money to Eradicate Disease globally. |

The Rotary Club has a strong belief system, and members practice **"The Four Way Test"**. The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships.

This test has been translated into more than 100 languages, and Rotarians recite it at club meetings.

"The Four-Way Test"

... Of the things we think, say or do:

- Is it the truth?
- Is it fair to all concerned?
- Will it build good will and better friendships?
- Will it be beneficial to all concerned?

The Fairfield Rotary Club is an active and vibrant club, with continued enthusiasm to grow our membership. All our members are active participants who not only attend the weekly luncheon meetings, but also contribute in a variety of different ways: volunteering their time for special events, programs, financial donations and committees. It is the action of our collective membership, which as a whole, makes a significant difference in our community ... each and every day!

As a member, you too will be expected to participate and contribute, and by doing so will make friends, professional connections and be a person of action in our Community.
