Don- Space X launch was great

Steve- Daughter graduated, degree in speech pathology

Tad- Daughter finally heading back to school, got a new dog, will pick up Sunday. Been trying to get RV registered, still no progress.

Win Jr- Loved the NICU foundation presentation today. Recent exam came out good.

Win III- Loved the NICU foundation too, Coco starting potty training.

Carrie- Kudos to Casey. Going in for exam in a couple weeks, will look for Win's picture on the wall. Hike is going great.
