

Milford Rotary Chat For 12/19/19 Meeting

Have a Merry Christmas, a Happy Hanukkah, and a Wonderful New Year!

12/12/19 Meeting Minutes:

Visitors: Brenda Bergami (Mama Rotary), Jack Bishop (Curran’s son), Bill Asermely, Jeannie Fahan

Fines: Curran reminded us of his 17th Annual Christmas Party at his house (21 Green St., Milford) and his first ever Christ Presbyterian Church service on Christmas Eve. See “Upcoming Events for more details”. Tina’s son is having another baby... It’s a boy! Congrats! Bob has an extra ticket for the Roteract performance. Win Jr. is wearing his Santa tie, wished a happy 80th birthday to Frosty, had a great time at the Norm Parcell’s luncheon (supporting Bill Parry), thanked Curran for returning his mother’s keys, which had his house listed on it as the return address, and had a great time at Sandillo’s holiday party last week. Frosty gave a birthday fine of \$1 per year of every year he lived so far (80), and is looking forward to working at Beth-El on the 21st. Carrie also had a great time at the holiday party and got a ride back (very responsible!!). Bill thanked everyone for his Norm Parcell’s award and gave a \$375 donation to the Foundation. Today was Frank’s anniversary of joining Rotary.

Announcements:

Our last Beth-El day this year will be a 12/21 lunch. Come join us to spread some holiday cheer!

We need hosts for our board meetings. January, February, and possibly March are already accounted for, but we need solid commitments for after then please. For more details contact Gary O.

Today we voted on moving the meeting location to The Bridge House, starting some time in January probably. Details to come.

Speaker description:

Jeannie Fahan joined us again to briefly talk about her Core Training Academy’s new division for children with disabilities. A big part of managing those children is understanding that those kids suffer terrible anxiety and mitigating that is a colossal task. She also gave a demonstration about P&G Purifier of Water purifying dirty water as an analogy of how to separate their anxiety from their everyday life.
