

President's Welcome

Welcome to our website!

The Rotary Club of Mystic has been working for the good of the community since 1954 and consists of community-minded men and women who are dedicated to making a positive impact on the greater Mystic area and selected communities worldwide.

We have a talented pool of 50 inspired members who serve to champion a variety of initiatives. On any given day Mystic Rotarians can be seen volunteering at the neighborhood food pantry, conducting local clean-ups, coaching students and leading major fundraising projects including the Mystic Half Marathon and the Mystic Passport Dining Program. These fundraisers allow the club to financially assist a wide range of important programs including the worldwide eradication of Polio, grants to support a wide range of charitable organizations and scholarships to promote the academic progress of local students who exhibit the Rotary motto of "Service Above Self".

It is an honor to be a member of the local Mystic Rotary club and to be part of the Rotary International organization with the scale, scope, and commitment to take on some of the world's most pressing challenges.

If you are interested in learning more about the Rotary Club of Mystic or are a visiting Rotarian enjoying Mystic's charm, we invite you to join us each Monday at 12:15 p.m. for lunch at the Mystic Hilton. I would be delighted to welcome you and happy to answer any questions.

Yours in Rotary Service, Bill.
